

2025-2026 Asset Information Form

Asset information was left blank on the FAFSA but is required because the student does not qualify for simplified needs analysis. Therefore, for the 2025-2026 academic year, verification is required for the student [and parent(s) if student is dependent]. Please indicate the value of all assets as of the date the student completed the 2025-2026 FAFSA.

This form must be completed in full for our office to complete the verification process for the 2025-2026 academic year. If you do not have any dollar amount to report, please indicate by marking \$0 below. Blank or incomplete forms will not be processed.
