GENERAL INFORMATION

TESTING

Students must have a valid photo ID to be able to take the test at the end of their course. If you do not have a valid photo ID, your test will have to be rescheduled.

ENROLLMENT

Every effort will be made to accommodate maximum participation in the course(s) of your choice.

All attendees are encouraged to preregister to ensure available courses. Attendance is mandatory for all courses that begin on Thursday and Friday or you will not be allowed in courses on Saturday. Courses will be subject to cancellation due to low preregistration numbers, so please register as soon as possible!

Students should attend registration to sign in and there they will be given their class assignments. Registration will be located in the Continuing Education and Industrial Center with signage directing them to the appropriate location.

FEE SCHEDULE

All students attending RCC's Fire & Rescue Event MUST pay a \$30 registration fee. The registration fee may be paid by check or money order made out to Randolph Community College.

All IN-STATE students who are affiliated with a Public Safety provider are fee exempt from tuition (but not the \$30 registration fee). All OUT-OF-STATE students or NON-PUBLIC SAFETY affiliated students are required to pay associated tuition fee (\$70), as indicated in the Course Information Section as well.

REGISTRATION AND PAYMENT

Registration forms and payments are currently being accepted. Please register as soon as possible to guarantee selections.

For registration form, go to page 5.

Completed registration forms may be mailed, dropped off in-person, or faxed to 336-633-3071. Payments must be mailed or dropped off in-person at the RCC Asheboro Campus. That address is:

Randolph Community College,
Attn. Fire & Rescue Event
629 Industrial Park Avenue
Asheboro, NC 27205

Receipts will be given to all registrants upon arrival.

LOCATION

All on-site registrations will be held at the Main Campus in the Continuing Education and Industrial Center (CEIC). Courses will be held at the Randolph Community College Main Campus and the Emergency Services Training Center. Unless directed otherwise, students should report to Main Campus for first course meeting. Some sections require off-campus meetings.

Transportation to these locations is NOT provided. (Maps provided at end of booklet.)

CERTIFICATES

Students who successfully complete the course in which they are enrolled will be awarded a certificate from Randolph Community College. Please print name legibly on registration form; certificates are processed from these forms. Successful completion includes attending all course sessions.

ACCOMMODATIONS IN ASHEBORO

Some area hotels are offering a discount for registered students. Be sure to mention the Fire & Rescue Event when making a reservation.

SPECIALTY COURSES

Fire Officer I (36 Hours)

Thursday 5 p.m. - 11 p.m.

Friday, Saturday & Sunday 8 a.m. - 7 p.m.

February 27, 28, March 1 & 2

This certification-related course covers the knowledge, skills, and requirements referenced in the National Fire Protection Association (NFPA) 1021 Standard, 2020 edition, for Fire Officer I training. Topics include officer roles and responsibilities, community risk reduction, budgets, fire cause determination, inspections, education, leadership, management, public relations, and other requirements included in the NFPA standard. Upon completion, students should be able to demonstrate an understanding of relevant NFPA standards as required for state Fire Officer I certification. This course should be offered consistent with the most current NC Fire and Rescue Commission guidelines; contact Office State Fire Marshal for details. Effective date January 1, 2022.

Instructors: Curtis Teague

Fire Officer II (28 Hours)

Friday 8 a.m. - 7 p.m., and

Saturday and Sunday 8 a.m. - 6 p.m.

March 7, 8 & 9

This certification-related course covers the knowledge, skills, and requirements referenced in the National Fire Protection Association (NFPA) 1021 Standard, 2020 edition, for Fire Officer II training. Topics include officer roles and responsibilities, community risk reduction, budgets, fire cause determination, inspections, education, leadership, management, public relations, and other requirements included in the NFPA standard. Upon completion, students should be able to demonstrate an understanding of relevant NFPA standards as required for state Fire Officer II certification. This course should be offered consistent with the most current NC Fire and Rescue Commission guidelines; contact Office State Fire Marshal for details. Effective date January 1, 2022.

Instructors: Curtis Teague

Rapid Intervention Crew (RIC) (24 Hours)

Friday, Saturday & Sunday 8 a.m. - 5 p.m.

March 7, 8 & 9

This course will present the Rapid Intervention Crew (RIC) candidate with the knowledge, skills, and abilities to satisfy the requirements of NFPA 1407: Standard for Training Fire Service Rapid Intervention Crews (2020 edition). The course is designed to show the complexities of managing and operating on a Rapid Intervention Crew. This course should be offered consistent with the most current NC Fire and Rescue Commission guidelines; contact the Office of State Fire Marshal (OSFM) for details. Effective date July 1, 2020/NFPA 1407 Standard, 2020 edition

Prerequisite: 18 years old, high school diploma or equivalent, TIMS and FF Certified

Instructor: Jonathan Sowers

Rescue Officer (24 Hours)

Friday, Saturday & Sunday 8 a.m. - 5 p.m.

February 28, March 1 & 2

This certification-related course presents the rescue service member with an avenue for gaining knowledge and skills needed to become an effective officer within his or her respective organization. Topics covered include human resources management; communication skills; operating as a manager, leader, mentor and coach to subordinates; improving customer service; interfacing with the service community; and the importance of health and safety in rescue services. Topics align with related National Fire Protection Association (NFPA) Standard 1021, Standards for Fire Officer Professional Qualifications, objectives. This is an NC Fire and Rescue Commission certification course.

Instructor: Jonathan Sowers

Instructor I (26 Hours)

Friday & Saturday 8 a.m. - 6 p.m.

Sunday 8 a.m. - 5 p.m.

February 28, March 1 & 2

This course will present the Instructor I candidate with the knowledge, skills, and ability to satisfy the requirements of NFPA 1041: Standard for Fire and Emergency Services Instructor Professional Qualifications (2019 edition; Chapter 4). This curriculum should be offered consistent with the most current NC Fire and Rescue Commission guidelines; contact the Office of State Fire Marshal (OSFM) for details. Effective date July 1, 2020/NFPA 1041 Standard, 2019 edition.

Instructor: Dylan Lamonds
responsibilities, community risk reduction, budgets, fire cause determination, inspections, education, leadership, management, public relations, and other requirements included in the NFPA standard. Upon completion, students should be able to demonstrate an understanding of relevant NFPA standards as required for state Fire Officer II certification. This course should be offered consistent with the most current NC Fire and Rescue Commission guidelines; contact Office State Fire Marshal for details. Effective date January 1, 2022.

Instructors: Curtis Teague

TECHNICAL RESCUER

TR Passenger Vehicle Rescue Series (42 Hours)

Friday, Saturday & Sunday 8:30 a.m - 6:30 p.m.

February 28, March 1, 9, 15, 16

This certification-related course in Common Passenger Vehicle Rescue will present the Technical Rescuer (TR) with the knowledge, skills, and ability to satisfy the requirements of Chapter 8 (Common Passenger Vehicle Rescue) of NFPA 1006-2021 edition: Standard for Technical Rescue Professional Qualifications. Individual courses included in this series are Common Passenger Vehicle Rescue Awareness, Operations, and Technician. This course transfers as one series, in its entirety, to the Office of State Fire Marshal (OSFM). This course should be offered consistent with the most current NC Fire and Rescue Commission guidelines. Contact the Office of State Fire Marshal (OSFM) for details.

RANDOLPH COMMUNITY COLLEGE FIRE ACADEMY

Did you know RCC offers a fire academy in the spring and fall each year? Being successful in the fire service today takes commitment and quality training. The RCC Fire Academy offers both. If you seek to improve your marketability in the workplace or to enhance your current skill level, the RCC Fire Academy will offer you an opportunity to complete certifications in a timely manner or successfully prepare you for a career in the fire service. You will be provided structure, quality training, and the motivation needed to be successful in attaining your personal and professional emergency services goals.

RCC's Fire Academy is ideal for potential fire service members as well as existing fire service personnel. The Academy hours will be 8 a.m. - 5 p.m., Monday - Friday, with physical training included daily.

New academies begin each January and August.

Upon graduation, Fire Cadets will receive N.C. Firefighter certification, Hazardous Materials Level 1 Responder certification, Technical Rescuer: General and Vehicle Machinery Rescue certification, orientation to the fire service, and exposure to several area fire service agencies, as well as the physical and mental training required to excel in today's fire service.

Candidates must complete an application and a medical physical prior to the desired spring or fall academy semester. Enrollment is limited. Questions can be directed to Debbie Callicutt at dscallicutt@randolph.edu or 336-633-4165.

The Randolph County Association of Fire Chiefs is proud to sponsor the Randolph Community College 2023 Fire & Rescue Event. The Association will provide refreshments throughout the event. There will also be giveaways for registered students. *(You're automatically entered upon registering for class.)*

FIRE PROTECTION TECHNOLOGY TAKE YOUR CAREER AS A FIREFIGHTER TO THE NEXT LEVEL

The Fire Protection Technology program is designed to provide the technical and professional knowledge needed for officer level decision making pertaining to fire protection for private and public sectors. It provides coursework in managerial and leadership areas necessary for promotion for existing firefighters as well as a solid foundation for continuing higher learning in the fire protection community.

Course work includes diverse fire protection subject areas, including fire prevention and safety, public education, building construction, fire ground strategies and tactics, and local government finance and laws as they apply to emergency services management. Emphasis includes understanding fire characteristics and the structural consequences of fire, risk assessment and management, relevant research, communications, and leadership methodologies.

SACSCOC APPROVED

Earn an associate degree through Randolph Community College that will assist in promotional opportunity within your chosen field. The 65-credit hour program has multiple options that allow credit for prior learning to help speed you from first class to degree in fewer classes. If you have FF I & II, Fire Officer I & II, D/O Pumps, Fire Inspections, EMT, or FLSE I, II, & III or any combination of these, you can receive credit toward your degree.
